Our World Leading Parents

About E.ON

E.ON is one of the world's largest investor-owned power and gas companies. Our more than 88,000 employees generated just under €82 billion in sales in 2009. With leading market positions in power and gas and nearly 30 million customers we operate in more than 30 countries. Headquartered in Düsseldorf, E.ON Climate & Renewables is responsible for E.ON Group's global renewables and carbon sourcing activities.

About Masdar

Masdar is Abu Dhabi's multi-faceted initiative advancing the development, commercialisation and deployment of renewable and alternative energy technologies and solutions. The company serves as a link between today's fossil fuel economy and the energy economy of the future - developing the "greenprint" for how we will live and work tomorrow. Backed by the stability and reputation of the Mubadala Development Company, an investment vehicle of the government of Abu Dhabi, Masdar is dedicated to the emirate's long-term vision for the future of energy.

Competitive Advantage

We are the partner of choice for full value chain management of Carbon abatement projects.

Our Focus

Our Business

Business Overview

E.ON Masdar Integrated Carbon is a joint venture between E.ON and Masdar. The company focuses on investment and development of carbon abatement projects in emerging markets, resulting in:

- Improved energy efficiency
- Fugitive gas reduction
- Carbon emission reductions

E.ON Masdar Integrated Carbon focuses on providing solutions to industrial players, utilities and national oil and gas companies.
